

RESEARCH ADMINISTRATION NEWSLETTER

UNIVERSITY OF GHANA, COLLEGE OF HEALTH SCIENCES

APRIL, 2017

Funding To Visit another Laboratory International Society for Neurochemistry

This enables candidates to undertake visits to develop new technical or conceptual expertise for implementation in their research programme upon return to their home institution. Awards generally range from USD 1,000 to USD 4,000, to support travel, accommodation and insurance.

Closing date: 30 Apr 17

Sigma Theta Tau International/American Nurses' Foundation Grant

Sigma Theta Tau International

These support the research career development of early career or experienced nurse researchers who are entering a new field of study. The grant is worth up to USD 7,500 for one year.

Closing date: 01 May 17

Research Grants Programme in Basic Sciences

TWAS

This programme supports the purchase of research facilities required to enhance productivity of projects in biology, chemistry, mathematics and physics in science and technology-lagging countries. Grants are worth between USD 15,000 and USD 30,000 each. ***

Closing date: 11 May 17

Drug Abuse Prevention Intervention Research (R01, R03, R21): Aids-Related

NIH: National Institute on Drug Abuse

This Aids-related announcement aims to support research that will employ rigorous scientific methods to test theoretically derived hypotheses to increase understanding of the science of drug use prevention within diverse populations and settings and across the lifespan.

Closing date: 07 May 17

Health Services and Economic Research on the Prevention And Treatment of Drug, Alcohol and Tobacco Abuse (R01): Aids-Related

NIH: National Institute on Alcohol Abuse and Alcoholism

This Aids-related announcement supports rigorous health services and economic research to maximise the delivery of efficient, high-quality drug, tobacco and alcohol prevention, treatment and recovery support services. Application budgets are not limited but should reflect the actual costs of the proposed project. The maximum project period is five year

Closing date: 07 May 17
